## DIVERSITY DATA 2015

The following pages contain the anonymised Diversity Data required to be collected and published by Radcliffe Chambers' Diversity Data Officer under rule RC110.3.q-siii of the Bar Standards Handbook 2nd edition.

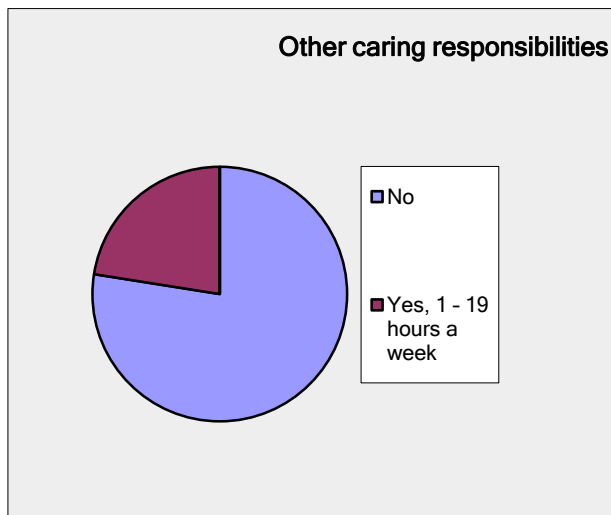

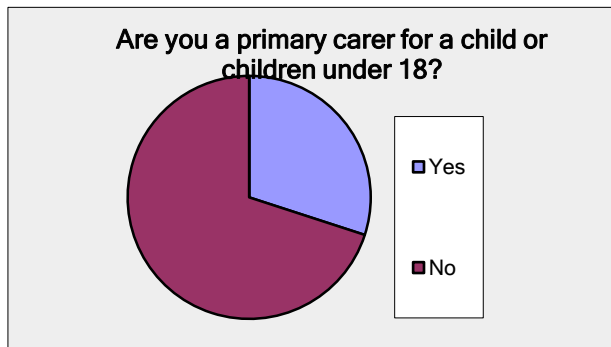

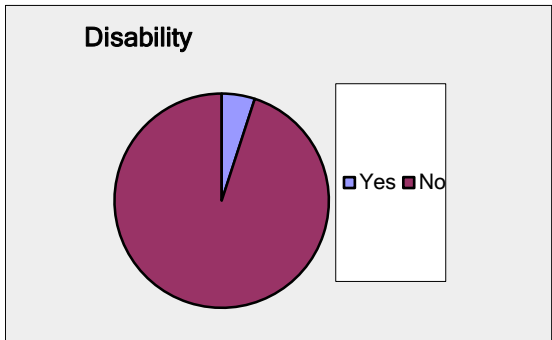

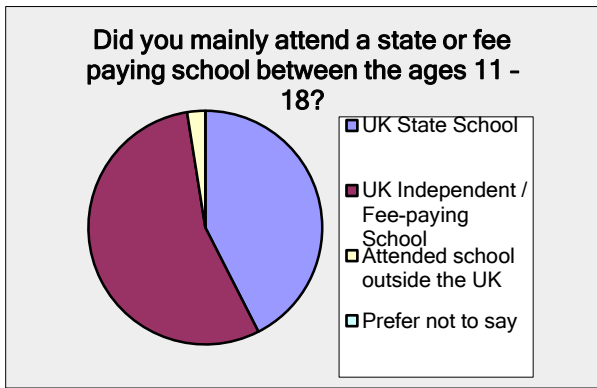

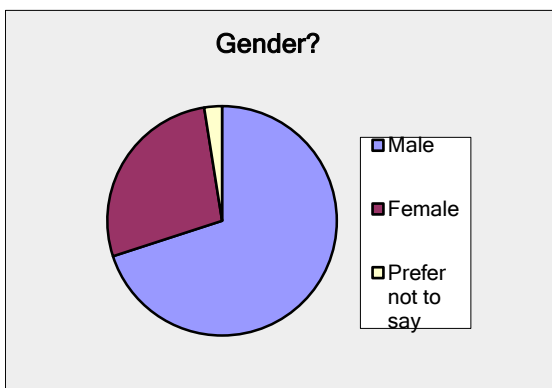

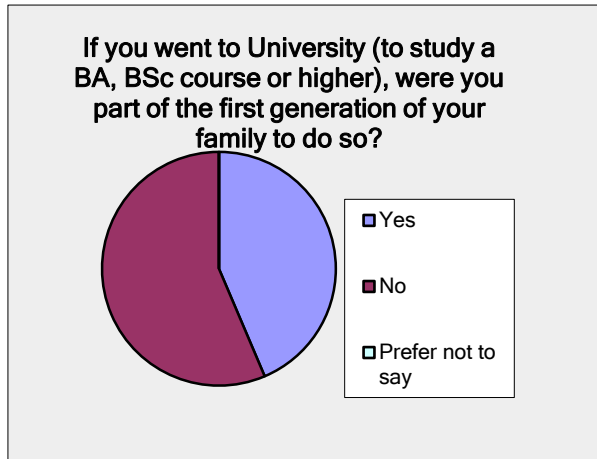

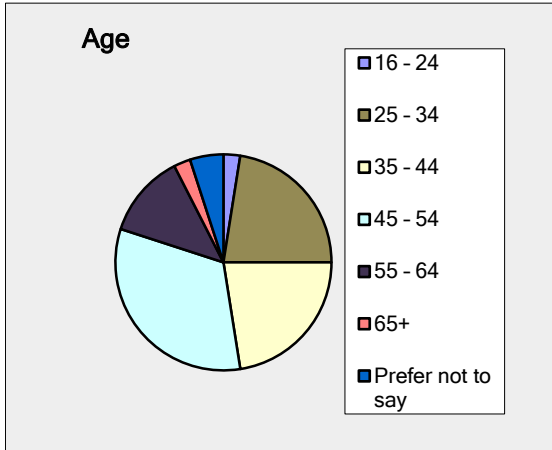

Not all managers and those in supporting roles in chambers that responded to the Diversity Data Questionnaire consented to the use of their data in situations where the number of individuals identified with any particular characteristic within any category was fewer than 10. As a result, we are unable to publish details in these areas.
